We are Hawaii's HVAC Superstore

**ADMOR HVAC
PRODUCTS, INC.**
"HAWAII'S HVAC SUPERSTORE"

Admor HVAC Products is Hawaii's HVAC Superstore with the largest selection of HVAC products under one roof in Hawaii. We serve small, medium, and large HVAC and Mechanical contractors, hotels/condos, and the military on all Hawaiian Islands, Guam and the Pacific from our 55,000 Sq. Ft. warehouse in the heart of Honolulu and 8,000 Sq. Ft. warehouse in Kahului, Maui.

Our Promise to You...

- Passion to be the best
- Responsibility of our actions
- Integrity in our relationships
- Dedication to teamwork
- Excellence in service and quality
- Dedication to community & Cancer Research

Why Admor HVAC?

State-Of-The Art Hands On Training Center

Our State-of-the-art Training Center represents an investment in Hawaii Contractors and provides a "hands on" learning experience with fully operating ducted, ductless, multi-zone and VRF systems. We strongly believe that training is an important part of our mission and goal to provide the highest level of service before, during and after the sale. Investing in our customers and Hawaii's HVAC industry is important to Admor HVAC.

Giving back to the Community

Cooling Cancer

Established in 2013, our Cooling Cancer Non-Profit Organization raises money for cancer patients and research in Hawaii. To date, we have donated over \$340,000 to the University of Hawaii Cancer Center. We are passionate about our mission to eradicate cancer during our lifetimes and ask for your support. LEARN MORE AND GET INVOLVED online at coolingcancer.org

Mason Kekoa Scholarship Fund

In 2015, Admor HVAC employees Brad and Almarie Macloves welcomed their first child, Mason Kekoa Nava Macloves into the world. Despite being 33 weeks premature, Mason was happy, full of love and had a contagious smile and laugh that anyone who met him loved. He was the light of his parent's life.

In 2016, Mason unexpectedly was diagnosed with a non-life threatening and common condition that required a surgery that had a less than 3% chance of complications. Tragically, Mason contracted an infection that spread to his blood. Septic Shock lead to organ failure and little Mason died just two days of turning 8 months old.

Admor HVAC rallied to keep Mason's memory alive and support Brad and Almarie by establishing the Mason Kekoa Scholarship Fund.
